

ENVIRONMENTAL POLICY STATEMENT

Newport Paper Ltd is committed to achieving high performance throughout the business. We recognise our responsibility to operate in an environmentally and socially responsible manner, reducing our impacts on the environment and the effects of global warming. Compliance with all environmental legislation pertinent to our activities is a minimum requirement and an integral part of this policy.

Our Commitments

Newport Paper is committed to improving the quality of life of both the local and wider community now and in the future and committed to encouraging others to promote improvements in their environmental performance and in local environmental quality.

Newport Paper is also committed to continually improving its environmental performance by:

- Integrating and achieving environmental performance objectives within all its services, programmes and working practices; and
- Ensuring its activities are designed to reduce adverse impact on the environment and to use resources efficiently over time;

Newport Paper will take action to:

- Reduce our contribution to climate change through the use of fossil fuels; and
- Reduce our contribution to the destruction of the global and regional environment through the goods and services purchased by the company.

This Policy is supported by our corporate Environmental Action Plan and Sustainable Procurement Policy; objectives are set out in the Environmental Targets and Objectives Plan.
